This end-unit, 3-bedroom, 2.5-bath home offers a functional, open layout.

The main level features an open kitchen and family room, both with recessed lighting and engineered vinyl plank flooring throughout. The kitchen includes upgraded cabinetry and hardware, quartz countertops, tile backsplash, and stainless steel gas appliances. A double window box bay brightens the breakfast room, and a powder room completes the first floor.

Upstairs, the primary bedroom features recessed lighting, a spacious walk-in closet, and a private bath with a double bowl vanity and 60" tile shower. Two additional bedrooms share a full hall bath, and a laundry room is conveniently located on the second floor.

The finished basement adds flexible living space — idea...
