Welcome to the Jasmine — a thoughtfully designed home that effortlessly combines style and functionality. Step into the inviting foyer, where a convenient powder room is tucked to the side, perfect for guests. As you move further inside, the space opens into a beautifully connected kitchen and family room, ideal for both everyday living and entertaining. Just off the kitchen, you'll find a dedicated laundry area, making household tasks a breeze. The family room leads to the spacious primary suite, offering a private retreat with comfort and convenience in mind. Upstairs, a versatile loft provides a second living area, great for a home office, playroom, or media space. Two additional bedrooms and a full hall bath complete the upper level, providing plenty of room for family or guests. The Jasmine is designed to make you feel at home the moment you walk in.
