Welcome to the Monterey, where modern elegance meets thoughtful design. This stunning raised rancher boasts 4 bedrooms, 2.5 bathrooms, and an impressive 1955 square feet of luxurious living space. As you enter, you'll be greeted by an optional flex/study space on the entry floor, providing versatility to suit your lifestyle needs. A convenient powder room adds practicality to this level, while the option to finish the basement offers even more potential for customization and expansion. Ascend to the upper level, where the primary suite awaits. Here, you'll discover a tranquil retreat featuring a private bath and a spacious walk-in closet, offering comfort and convenience. Two additional bedrooms on this floor provide ample space for family members or guests, ensuring everyone has space to relax and unwind. Gather with family or guests in the sizeable family room, where the option for a fireplace creates a cozy ambiance. This inviting space is designed to be the heart of the home, where lasting memories will be made. With its thoughtful layout, luxurious amenities, and customizable features, this raised rancher offers the perfect blend of style and functionality.
