This two-story home features an open main living area designed for everyday functionality, connecting the kitchen, breakfast area, and family room. The family room includes recessed lighting, while the upgraded kitchen serves as the center of the home with an island, quartz countertops, tile backsplash, upgraded cabinetry, stainless steel appliances, and recessed lighting. Engineered vinyl plank flooring runs throughout the entire first floor, creating a consistent look across the main living spaces. Upstairs, the owner's suite includes a private bath with a double vanity and a spacious walk-in closet. Two additional bedrooms, a full hall bath, and a conveniently located laundry area complete the second floor, offering a practical and efficient layout. The finished basement with a full bath provides additional...
