The White Oak offers 2,113 sq. ft. of thoughtfully designed living space with an open and connected layout that complements today's lifestyles. Featuring four bedrooms, two-and-a-half baths, and a versatile flex room, this home provides the ideal balance of comfort and functionality. The open flow between the kitchen, breakfast area, and family room creates a welcoming environment for both everyday living and entertaining. Upstairs, the spacious primary suite includes a private bath and walk-in closet, offering a relaxing retreat. Homeowners can also choose to finish the lower level for an additional 511 sq. ft. of flexible living space. The White Oak also includes a two-car garage with options for width expansion and a walk-out door, adding even more convenience to this thoughtfully designed floorplan.
