Welcome to the beautiful Logan Meadows model home, where modern design meets everyday functionality. Enter through the foyer and find a flex room ideal for an office or extra living space. The open-concept main level showcases a stylish kitchen with upgraded features and recessed lighting, seamlessly flowing into the family room with a gas fireplace and ample natural light.

The adjacent morning room offers a great spot for casual dining, and a 14x10 composite deck extends your living space outdoors. The main level also includes a practical mudroom with lockers and a powder room.

Downstairs, the finished basement provides additional living space and a full bath. ...
