The Beacon Pointe floor plan by Berks Homes is a stunning 4-bedroom, 2.5-bathroom new home that combines elegance with functionality. Its open and spacious layout features a large family room leading to the breakfast room and kitchen, creating a seamless flow for everyday living and entertaining. A formal dining room adjacent to the kitchen offers a sense of sophistication for special occasions and gatherings. Upstairs, the second floor showcases a loft area and an impressive primary suite, complete with a generous walk-in closet and a private bath conveniently located next to the laundry room. Three additional bedrooms and a full bath provide ample space for family members or guests. This new home also has the option to expand the family room, add a morning room, select from multiple primary bath upgrades, choose alternate kitchen layouts, or finish the basement—ensuring that new homeowners can personalize this home to suit their preferences and create a truly customized living space.
