The Cypress boasts an open floorplan with a spacious family room opening to a kitchen that includes an island with ample seating and a breakfast area. Enjoy one-story living in a two-story home with a first-level primary suite, a primary bath and walk-in closet, and a first-floor laundry room. The second story offers two additional bedrooms, another full bath, and a versatile loft area. Between primary bath upgrades, an alternate kitchen, or finishing the basement, there are plenty of ways to personalize the Cypress to suit your needs.
