This 3-bedroom, 2.5-bath home offers a functional, open layout across three finished levels. The main level features an open kitchen and family room with engineered vinyl plank flooring, recessed lighting, and direct access to a 10' x 10' deck. The kitchen includes an island, granite countertops, tile backsplash, upgraded cabinetry, and stainless steel appliances. A powder room and breakfast area complete the first floor.

Upstairs, the Owner's Suite includes a walk-in closet and private bath with a double bowl vanity. Two additional bedrooms share a full hall bath, and a laundry room is conveniently located on the second floor.

The finished basement adds flexible living space — ideal for a rec room, home office, or additional entertaining area....
