This 3-bedroom, 2.5-bath home offers 1,754 square feet of thoughtfully arranged living space across three levels. The entry foyer on the lowest level provides direct access to a fully finished basement, offering additional flexible space for work, play, or storage. Upstairs, the main level features an open kitchen, family room, and powder room. The kitchen includes a center island, granite countertops, tile backsplash, stainless steel appliances, and recessed lighting. Engineered vinyl plank flooring spans the entire main level, while recessed lighting continues into the family room for a clean, modern feel. On the top floor, the primary suite includes a double bowl vanity and a tile shower in the private bath. Two additional bedrooms, a hall bathroom, and a convenient laundry area complete this level.
