The Townes at Margaret's Grove

COMING SOON

The Townes at Margaret's Grove brings low-maintenance new construction townhome living to the heart of vibrant Harrisburg, Dauphin County, in South Central Pennsylvania's capital region, within the Harrisburg School District. Weekend plans are easy with City Island's ballgames and mini golf, a stroll through Broad Street Market, or a trip to Hersheypark, all just minutes from the Susquehanna River, Riverfront Park, and the Capital Area Greenbelt, with I-81, I-83, and Route 22 close by. Berks Homes is building this new Harrisburg townhome community as Coming Soon, with floor plan and homesite details still to be announced, so now's the time to join the VIP list. Reach out to a New Homes Sales Consultant to be among the first to know when homesites become available for this walkable, downtown-adjacent community.
