This Model Home puts our best features on full display.

Step inside to engineered vinyl plank flooring that runs throughout the entire first floor. The family room is warm and inviting, with a gas fireplace, upgraded windows, and recessed lighting. The converted study offers a quiet retreat with a double bay window and recessed lighting — a great example of how the flex room can be personalized to fit your lifestyle. A mudroom with bench shows how everyday function can be built right into your home.

The kitchen is the heart of this Model Home, featuring an island, quartz countertops, tile backsplash, upgraded cabinetry, stainless steel appliances, and recessed...
