This 3-bed, 2.5-bath, 1,674 sq. ft. home offers thoughtful upgrades throughout, designed around the way you live. As you enter, you're greeted by a foyer and stairs leading upstairs. Down the hall, the space opens into the kitchen and breakfast area. The kitchen has been upgraded to include an island, quartz countertops, tile backsplash, stainless steel appliances, and recessed lighting. The kitchen flows into the expanded family room, enhanced by recessed lighting.
Upstairs, the expanded second floor features the owner's suite, including a double-bowl vanity and tile shower with a seat. 2 additional bedrooms, a hall bath, and laundry room complete the second level.
