COMING SOON

Welcome to Maple Inn Estates, a new Berks Homes townhome community in Honey Brook, PA, set amid the rolling farmland and quiet, tree-lined countryside of northwestern Chester County.

Enjoy hiking, fishing, and boating at nearby Marsh Creek State Park and Hibernia County Park's Chambers Lake, along with scenic drives past covered bridges and family farms. Local favorites like September Farm Cheese and the area's farm markets bring fresh flavor close to home, while Longwood Gardens and historic Brandywine Valley are a short drive away for a day of exploring.

With thoughtful floorplans and the charm of small-town Chester County all around, Maple Inn Estates is where your story starts.
