From the moment you step inside, you'll notice the sleek engineered vinyl plank flooring flowing throughout the entire first floor and all bathrooms. The heart of the home is the upgraded kitchen, where a large island, quartz countertops, tile backsplash, upgraded cabinetry, stainless steel appliances, and recessed lighting come together to create a space that's beautiful and functional. The adjacent morning room fills the space with natural light, perfect for casual meals or your morning coffee.

The open family room, featuring recessed lighting, provides the ideal gathering space for family and friends. A dedicated study gives you a quiet, private space to work or focus from home....
