From the finished basement to the owner's bath, this home has been thoughtfully planned for real life. The main level flows naturally from the kitchen into the breakfast area and family room — all finished with engineered vinyl plank flooring. The kitchen features an island with quartz countertops, tile backsplash, upgraded cabinetry, stainless steel appliances, and recessed lighting throughout.

Upstairs, the Owner's Suite offers a quiet retreat with a walk-in closet and a well-appointed Owner's Bath featuring a double vanity and a tiled shower with a built-in seat. Two additional bedrooms share a full bath, and the laundry is conveniently located on the same level. The finished basement adds flexible space for whatever you need most — a home office, gym, rec room, or all...
