This thoughtfully designed Model Home offers a layout that feels open, functional, and easy to live in. The main level features engineered vinyl plank flooring throughout and a spacious family room with recessed lighting, creating a comfortable space for everyday living and gatherings. The upgraded kitchen anchors the home with a center island, quartz countertops, tile backsplash, upgraded cabinetry, stainless steel appliances, under-cabinet lighting, and recessed lighting—connecting seamlessly to the breakfast area highlighted by a double bay window that brings in natural light.

Upstairs, the owner's suite includes recessed lighting and a private bath with a double vanity and a tile shower with a seat. Two additional bedrooms and a full bath provid...
