This thoughtfully designed home offers a layout that supports everyday living with spaces that feel open, functional, and connected. The first floor features a family room enhanced with upgraded windows and recessed lighting, creating a bright and comfortable setting. Engineered vinyl plank flooring runs throughout the main level, tying the spaces together with a clean, consistent look. The kitchen has been upgraded with a center island, quartz countertops, tile backsplash, upgraded cabinetry, stainless steel appliances, and recessed lighting. Just off the kitchen, a 10x12 deck provides an easy extension of living space for dining or relaxing outdoors. The flex room on the main floor has been converted into a study, offering a dedicated space for work or quiet focus. Upstairs, the primary suite...
