This thoughtfully designed home offers a functional layout with the right amount of space in all the places that matter. The first floor features an open-concept design where the family room, breakfast area, and kitchen connect seamlessly, making everyday living and entertaining feel natural. The kitchen is upgraded with an island, quartz countertops, tile backsplash, upgraded cabinetry, stainless steel appliances, under cabinet lighting, and recessed lighting. Engineered vinyl plank flooring runs throughout the entire first floor, adding durability and consistency to the space. Upstairs, you'll find three bedrooms, including an owner's suite with a walk-in closet and a private bath featuring a double vanity and a tile shower with a seat. Two additional bedrooms, a full hall bath, and a conveniently located...
