Ellis Crossing brings low-maintenance new construction townhome living to the heart of historic West Chester, Chester County, in the Philadelphia suburbs of Southeastern Pennsylvania, within the West Chester Area School District. Homeowners will love being minutes from downtown's boutique shops and restaurants, plus cultural spots like Marshall Square Park and the Chester County History Center, with Route 202 and the West Chester Pike offering an easy commute to Philadelphia and Wilmington. Berks Homes is building this new townhome community for homeowners who want character and convenience without sacrificing either one. This Coming Soon community means pricing and homesite details are on the way, so now's the time to join the VIP list. Reach out to a New Homes Sales Consultant to be among the first to hear about homesite availability at West Chester's newest townhome community.
